

I am very dissappointed in everyone involved in the Janet Jackson and Justin Timerlake stunt.

The FCC is supposed to protect my and millions of other Americans children from being 'exposed' to this type of 'stuff.' They pulled a fast one on us. I hope the FCC does its job and makes sure those involved are sufficiently penalized. I also hope the FCC takes measures to help ensure that stunts like this never happen again. I never knew who the commissioners of the FCC were until today. But, now I, and millions of other upset Americans, are watching Michael K. Powell, Kathleen Q. Abernathy, Michael J. Copps, Kevin J. Martin, and Jonathan S. Adelstein very closely. They are now on center stage. Please don't let us down.

Sincerely,

Todd J Albers
